

DEPARTMENT OF PHILOSOPHY  
UNIVERSITY OF DELHI

presents a talk on

# **A Second Personal Phenomenology of Life as Subject: Complexity and Genomics**

**PROF. PRASENJIT BISWAS**  
**Department of Philosophy, NEHU**  
**Shillong**

The talk shall explore Post translational genomic variations in contexts of Intersubjective loss of Social Cognition. It shall also look at how Artificial life can train second personal data and contexts into a model of Open Ended Evolution(OEE).

It covers areas of Philosophy of Biology.

**13th March 2024, 3:00 P.M**  
**Philosophy Department Library**

Prof. P. Kesava Kumar  
Head, Department of Philosophy
